Verse 2

You dig a double grave out in the meadow
And you curse the rain that turns the dirt to mud
You take 35 south towards Laredo

And you try to find a doctor

That ll prescribe an elixor

That ll make everything better

Except your late wife and her lover

Chorus

By the time she thought you d probably got to Phoenix
She d sealed her fate and gotten herself killed
You ve got your pride, and a blue steel .45
And your waiting for the other shoe to fall
Yeah your waiting for the other shoe to fall

That s it. Great album if your into insurgent country or no dpression
or whatever.
