Tuning: Standard

[Intro/Verse]

	C	Cmaj7	Am	G(verse)	F	F\E	Dm	
e	-----0-----	-----0-----	-----0-----	-----1-----	-----1-----	-----1-----	-----1-----	
B	-----1-----	-----1-----	-----1-----	-----1-----	-----1-----	-----1-----	-----3-----	
G	-----0-----	-----0-----	-----2-----	-----2-----	-----2-----	-----2-----	-----2-----	
D	-----2-----	-----0-----	-----2-----	-----3-----	-----3-----	-----0-----	-----0-----	
A	--3--3--	--2--2--	--0--0--	-----0-----	-----3-----	-----3-----	-----0-----	-----0--2--
E	-----	-----	-----	-----3-3--3--	-----1--1--	-----0--0--	-----3--3--	-----

(The song is supposed to be Drop D tuning but thats annoying so i substituted the low D leading into the Dm with open D string. Its easier and sounds fine)
