Chords

**F**[320033]   **G7sus4**[x02033]   **C/F#**[30032x]   **Dm**[022000]

**F**                      **G7sus4**

So now im calling your name

**C/F#**

you should not write

**F**

there just the same

**Dm**

Both falling bright

**C/F#**

you know its a snow

**F**

im not feeling cold

**C**

im not feeling cold

[**F F C C**]

**F**                                      **G7sus4**

Now as you walk down the street

**C/F#**

with fire in heart

**F**

fighting at the dark

**Dm**

the darkness is spread

**C/F#**

and i see its dead

**F**

but somehow its gone

**C**

somehow its gone

[**F F C C**]

**F**                                      **G7sus4**

Faces in cold winter rain

**C/F#**

dieing ashamed

**F**

you know its not right

**Dm**

its all air tight

**C/F#**

and now that its gone

**F**

its coming undone

**C**

its coming undone

[**F F C C**]

**F**

**G7sus4**

now with this contest you planned

**C/F#**

me in the sand

**F**

and you with that man

**Dm**

taking your hand

**C/F#**

i saw her tonight

**F**

shes sleeping alright

**C/F#**

shes sleeping alright

**Dm**

and fading away

**C/F#**

end of her days

**F**

her head filled with pain

**C/F#**

and thoughts of her land

**Dm**

and arms of her man

**C/F#**

Twis moving hands

**F**

weighing her down

**C/F#**

trying not to drown

**Dm**

trying to stay

**C/F#**

reaching for land

**F**

burning this bliss

**C/F#**

her herd in my hands

**Dm**

and losing my mind

**C/F#**

while im kissing my wife

**F**

its all just the same

**C**

i call out your name

[**F F C C**] End on [000230]
