And I could see by your smile

What you wanted, what you wanted

Oh capture drops in your mind and in the champagne

There s no secrets, no more secrets

And so have those knives been thrown  
Curses flying, curses flying  
Your mouth wrapped to his face  
Too bad it s too late  
Oh my my well just too late  
And you don t know, you don t know  
What you ve been doing,  
Oh no no no no no no  
I can t do this, I can t do this  
It s just not in me and

I m saying stop the car  
Tell the driver to, tell the driver  
It s just not gonna happen and  
Sorry to waste your time  
Going back now, going back now  
I get out of the car  
And I walk back to the party,  
New years party with all the laughing, and now  
Too bad it s too late  
Oh my my well just too late  
And you don t know, you don t know  
What you ve been doing,  
**C D G**
