

We were the Cardinal's biggest fans  
Turnin' flips like Ozzy Smith all through the night  
~Til we got traded away  
To the Red Clay Southern League up on the Georgia line  
You could be the pitcher and the catcher too  
I'm the home run king before his muscles grew  
Gonna knock the cover off this town

[Chorus]

**C F**  
Oh Caroline (Caroline)  
**F C**  
Heartbroken hard times, they never got us down  
**F C Am**  
Walkin' the same line through every single southern town  
**G**  
Hand in hand your arm 'round mine  
**F C**  
Oh Caroline  
**C F**  
Oh Caroline (Caroline)  
**F C**  
I seen it all change, watch it change some more  
**F C Am**  
Seen hard times standin' right outside your door  
**G**  
Tell me girl what's on your mind  
**F C**  
Oh Caroline

[Verse]

These are different days  
And the pace of the world has us thinking there's  
No time to turn the other way  
Take my hand and we'll walk on down the line  
Though we may be a thousand miles apart  
A brother and a sister have a single heart  
And the beat don't stop for nothin'.

[Chorus]

**C F**  
Oh Caroline (Caroline)  
**F C**  
Heartbroken hard times, they never got us down  
**F C Am**  
Walkin' the same line through every single southern town  
**G**  
Hand in hand your arm 'round mine  
**F C**  
Oh Caroline  
**C F**  
Oh Caroline (Caroline)  
**F C**  
I seen it all change, watch it change some more  
**F C Am**  
Seen hard times standin' right outside your door  
**G**  
Tell me girl what's on your mind  
**F C**  
Oh Caroline
