

Next Go Round
Old Crow Medicine Show

Capo the fourth fret. I ll give the chord shapes to use as opposed to the actual notes.

Intro: **G7/C**

Verse:

C
Well the summer s come and gone
C
As the leaves fall on the lawn
G7
I think of how this pleasure s passed me by
C
And I am thinking of my old home
C
And the love I left behind
G7 **C**
Oh I couldnâ€™t go back there if I tried

Chorus:

C **F**
On my next go round
F
Iâ€™m gonna keep it to
F
The dreams we knew
F **C**
Before I broke them down
F
Gonna take your hand
F
Gonna be the man
F **C**
Who pulls you from the ground
G
I wonâ€™t let you down
C
On my next go round

Repeat verse chords:

We were standing on the edges
Of a thousand burning bridges
Sifting through the ashes every day
What we thought was never-ending

Now is nothing more than memories
The way things were before
I lost my way

Repeat chorus chords:

On my next go round
Iâ€™m gonna keep it to
The dreams we new
Before I broke them down
Gonna take your hand
Wanna be the man
Who pulls you from the ground
I wonâ€™t let you down
On my next go round

Solo:

C/G7
C/G7/C

Repeat verse chords:

Now the winds are blowing steady
My bags they re awful heavy
I wish that I could stop and turn around
But there are no second chances
In a world of circumstances
No, in this life you donâ€™t get no next round

Repeat chorus chords:

On my next go round
Gonna start again
Gonna let you in
Gonna lay our burdens down
Gonna be the one to never turn and run
Iâ€™ll always be around
I wonâ€™t let you down
On my next go round

I wonâ€™t let you down
On my next go round
