

Tennessee Pusher
Old Crow Medicine Show

One of the best songs off the new album, I think. On this one live they switch it up a and Willie plays fiddle while Ketch takes up the acoustic. It s only two chords for the song, but one of them is a bit weird. Enjoy.

Verse 1-

Out on the lonely highway

I m riding your way

Bm

F#sus2

Tell your momma to bar the cabin door

Bm

Heading out on a short run

F#sus2

Just looking for someone

Bm

Who doesn t love me anymore

Chorus-

F#sus2

Tennessee pusher,

Bm

F#sus2

Tennessee pusher,

Verse 2-

Last night in the holler,
I made a thousand dollars,
But I couldn t believe just what I saw,

You were out in the moonlight,
Until the break of daylight,
Giving your love to the law,

Chorus

Verse 3-

Climbing up on the mountain,
Heartbeat pounding,
Reckless as a cyclone,

You re the one that am after,
But I am a wanted man for,
Bringing it all back home,

*Here just repeat the main chord progression
a few times since they don t play the chorus
between verses 3 and 4.*

Verse 4-

Now there s gun smoke in the valley,
Blood like jelly,
As three crows circle a dead tree,

One for the lover,
One for the pusher,
One for the deputy,

Chorus to End.
