

Cruel  
Oli Fox

[Intro]

C#m A E x2

[Verse 1]

C#m A E

Maybe I m just kinda twisted

C#m A E

Maybe I need therapy

C#m A E

Could be I m just plain or lovesick

C#m A E

Your body could have come and rescue me

C#m

Want you there?

A

Want you home?

E

I see the light s so pick up the phone

C#m A E

It s 3AM, but all of this timeless to me

Oh-o-o-o

[Pre-Chorus]

C#m A E

Maybe I should call you a stranger

C#m A E

Maybe I should call you less

C#m A E E/G#

I m just feeling foolish cause I need somebody

C#m A E

And only a fool would take it like this

[Chorus]

C#m A E

You can be, cruel

C#m A E

You can be so, cruel to me

C#m A E

Come on be, cruel

E/G# C#m A E

You can be, cruel to me

[Verse 2]

**C#m**                    **A**                    **E**  
Suffering from your addiction  
         **C#m**                    **A**                    **E**  
Wish I was ten steps from you  
         **C#m**                    **A**                    **E**  
Oh, now I don't want to play the victim here  
         **C#m**                    **A**                    **E**  
But no-nobody gonna love you like I do  
  
Oh-o-o-o

[Pre-Chorus]

**C#m**                    **A**                    **E**  
Maybe I should call you a stranger  
**C#m**                    **A**                    **E**  
Maybe I should call you less  
**C#m**                    **A**                    **E**                    **E/G#**  
I'm just feeling foolish cause I need somebody  
         **C#m**                    **A**                    **E**  
And only a fool would take it like this

[Chorus]

**C#m**   **A**   **E**  
You can be,    cruel  
         **C#m**   **A**                    **E**  
You can be so,    cruel to me  
         **C#m**   **A**   **E**  
Come on be,    cruel  
**E/G#**                    **C#m**   **A**                    **E**  
You can be,    cruel to me

[Bridge]

**C#m**  
Want you there?  
**A**  
Want you home?  
**E**  
    I see the light s so pick up the phone  
**C#m**                    **A**                    **E**  
It's 3AM, but all of this timeless to me  
  
Oh-o-o-o

[Pre-Chorus]

**C#m**                    **A**                    **E**  
Maybe I should call you a stranger  
**C#m**                    **A**                    **E**  
Maybe I should call you less

**C#m**                    **A**                    **E**                    **E/G#**  
I m just feeling foolish cause I need somebody  
         **C#m**                    **A**                    **E**  
And only a fool would take it like this

[Chorus]

**C#m** **A** **E**  
You can be, cruel  
                 **C#m** **A**           **E**  
You can be so, cruel to me  
                 **C#m** **A** **E**  
Come on be, cruel  
**E/G#**           **C#m** **A**           **E**  
You can be, cruel to me
