

Tired And Awake
Oliver Riot

[Intro]

Em D G C

Em D G C

[Verse 1]

Em D G C
Something in the way you bloom
Em D G C
Soft cracks, subtly scratched, and skewed
Em D G C
Lullabies and afternoons
Em D G
You've past, withering fast, confused

[Chorus]

Em G
I know, it's a mistake
D Em (C)
Falling in love, to make a friend stay
Em G
Disgrace, give me a break
D (Em) C
Tryin' to die happy someday
Em G
Heaven, let me come stay
D
What would it cost?
Em
How would I pay?
Em G
Please just, save me a place
D G
Tired and I'm awake

[Verse 2]

Em D G C
Something in the way we move
Em D G C
Camouflaged, everyone hides in two's
Em D G C
Entourage, go chase the group
Em D G
It's a rat's race, always afraid to lose

[Chorus]

Em G
I know, it s a mistake
D Em (C)
Falling in love, to make a friend stay
Em G
Disgrace, give me a break
D (Em) C
Tryin to die happy someday
Em G
Heaven, let me come stay
D
What would it cost?
Em
How would I pay?
Em G
Please just, save me a place
D G
Tired and I m awake

[Instrumental]

Em D G C
Em D G C

[Bridge]

G D
And oh, I loathe, anyone sways me
Em C
Back and forth, porcelain daisy
G D
I m sure, puppeteers made me
Em C
Tied, arms high
G D
Uncontrolled, strung up and crazy
Em C
Take hold, patient constraining
G D
I loathe, how I ve been tamed to
Em G
Fear goodbyes

[Chorus]

Em G
I know, it s a mistake
D Em (C)
Falling in love, to make a friend stay
Em G
Disgrace, give me a break
D (Em) C

Tryin to die happy someday

Em **G**

Heaven, let me come stay

D

What would it cost?

Em

How would I pay?

Em **G**

Please just, save me a place

D **G**

Tired and I m awake

[Outro]

Em **D**

Tired and I m awake

D

I m tired, and I m

G

Awake
