Dancin Round and Round " Adam Mitchell (Olivia Newton John)

[C] I m gonna go out tonight
[Em] Gonna feel alright
[F] If it tears me right [C] in two
[Am] Cause I just can t stay feeling [Em] this way
[F] With a heart that s full [G] of you

[C] I m gonna go right down
[Em] To a part of town
[F] Where I ve never been [C] before
[Am] And in some small place
Find a [Em] brand new face
[F] And step out on [G] the [C] floor

[C] And I ll be dancing [F] round and [C] round
And I ll be sat [Am] isfied if I [F] can just hold my [G] ground
And if he [C] helps me to [F] keep your [Am] memory [C] down
I ll [Dm] be dancing [F] round and [C] round

[C] Well you put some distance round you
[Em] I know I meant to see
[F] There s a space inside [C] for someone
[Am] But I know it isn t [G] me

[C] So among the boys who are searching
And the [Em] girls who hope they re found
[F] If you look for me, [C] I m the one you ll see
Who s [Dm] dancing [F] round and [C] round

[C] And I ll be dancing [F] round and [C] round
And I ll be sat [Am] isfied if I [F] can just hold my [G] ground
And if he [C] helps me to [F] keep your [Am] memory [C] down
I ll [Dm] be dancing [F] round and [C] round

[F] Come on music, [Am] wash my tears away
[G] Come on darkness, cover [Dm] up the day

dancing [F] round and [C] round
And I ll be sat [Am] isfied if I [F] can just hold my [G] ground
[C] And if he helps me to [F] keep your Am memory [C] down
I ll [Dm] be dancing [F] round and [C] round
I ll [Dm] be dancing [F] round and [C] round
