[Intro]

Am G F G

[Verse 1]

Am

You see me on my Instagram

G

F

Oh, yeah, I heard that you had met a couple of my friends

G

Am

So you pretend like you know me and know my intent

G

F

G

When really we have never talked and it s all in your head

Am

You see me at a party once

G

F

So now you think that that gives you the right to judge

G

You don t know enough

Am

And you can ask whoever but

G

F

G

Unless it comes from me it s just not something you should trust

[Pre-Chorus]

Am

G

F

G

So how can you hate me before we ve had a conversation?

Am

G

F

G

I wonder where you re getting all your information

[Chorus]

Am

Cause you don t, you don t, you don t

G

F

G

Know about me

Am

You don t, you don t, you don t

G

F

G

Know about me

Am

You don t even know me

G

F

G

You just know what you like to believe

Am

You don't even know me

G F

So keep my name out of your mouth, please

G

Cause you don't know about me

[Verse 2]

Am

I don't think that we've ever talked

G F

But everytime you talk to someone else my name is dropped

G

Happens a lot

Am

If you keep it up you might get blocked

G F G

I don't know what else I can do to make you fucking stop

Am

Cause you've given me a reputation

G F

I don't even know where you heard all of the things you're saying

G

They're your creation

Am

Yeah, there's been a miscommunication

G F G

Or maybe not and you just have attention deprivation

[Pre-Chorus]

Am G F G

So how can you hate me before we've had a conversation?

Am G F G

I wonder where you're getting all your information

[Chorus]

Am

Cause you don't, you don't, you don't

G F

Know about me

G

(No, no, you don't, no, no, you don't)

Am

You don't, you don't, you don't

G F

Know about me

G

(No, no, you don't, no, no, you don't)

Am

You don't even know me

G **F**
You just know what you like to believe

G
(Believe, yeah, you believe it)

Am
You don't even know me

G **F**
So keep my name out of your mouth, please

G
Cause you don't know about me
