

Can't catch me now (From The Hunger Games)
Olivia Rodrigo

Bm **D**
There s blood on the side of the mountain

Bm **D**
There s writing all over the wall

Bm **D**
Shadows of us are still dancin

G **Em**
In every room and every hall

Bm **D**
There s snow fallin over the city

Bm **D**
You thought that it would wash away

Bm **D**
The bitter taste of my fury

Em **A**
And all of the messes you made

Em **A**
Yeah, you think that you got away

Bm **D**
But I m in the trees, I m in the breeze

Bm **D**
My footsteps on the ground

Bm **D**
You ll see my face in every place

G **A**
But you can t catch me now

Bm **D**
Through wading grass, the months will pass

Bm **D**
You ll feel it all around

Bm **D**
I m here, I m there, I m ev?rywhere

But you can t catch me now

 I bet you figured I d pass with the winter
