I got my driver?s license last week

Em

Just like we always talked about

Cause you were so excited for me

C

To finally drive up to your house

But today I drove through the suburbs

G

Crying cause you weren t around

G

And you re probably with that blonde girl

Who always made me doubt

Em

She s so much older than me

She s everything I m insecure about

C

Yeah, today I drove through the suburbs

G

Cause how could I ever love someone else?

C

And I know we weren t perfect

G

But I ve never felt this way for no one

C

And I just can t imagine how you could be so okay

G

Now that I m gone

Em D G D/B C

Guess you didn t mean what you wrote in that song about me

Cause you said forever, now I drive alone past your street

[Segunda Parte]

G

And all my friends are tired

```
Of hearing how much I miss you, but
Em
  I kinda feel sorry for them
 Cause they ll never know you the way that I do, yeah
Today I drove through the suburbs
And pictured I was driving home to you
    C
And I know we weren t perfect but
But I ve never felt this way for no one, oh-oh
And I just can t imagine how you could be so okay
Now that I m gone
                                               D/B
I guess you didn t mean what you wrote in that song about me
Cause you said forever, now I drive alone past your street
Em
Red lights, stop signs
I still see your face in the white cars, front yards
Can t drive past the places we used to go to
 Cause I still fuckin love you, babe
Ooooooooh
Em
Sidewalks we crossed
I still hear your voice in the traffic
We re laughing over all the noise
God I m so blue, know we re through
But I still fuckin love you, babe
Ooooooooh
I know we weren t perfect
```

But I ve never felt this way for no one

And I just can t imagine how you could be so okay
