G

Know that I loved you so bad

G

I let you treat me like that

Em

I was your willing accomplice, honey

G

And I watched as you fled the scene

G

The white as you buried me

Em

One heart broke, four hands bloody

D

The things I did

Cmaj7

Just so I could call you mine

D

The things you did

Cmaj7

Well, I hope I was your favorite crime

G

You used me as an alibi

G

I crossed my heart as you crossed the line

Em

And I defended you to all my friends

G

And now, every time a siren sounds

G

I wonder if you're around

Em

Cause you know that I'd do it all again

D

The things I did

Cmaj7

Just so I could call you mine

D

The things you did

Cmaj7

Well, I hope I was your favorite crime

Am

Bittersweet to think about the damage that we do

Em

D

Cause I was going down, but I was doing it with you

Am

Yeah, everything we broke, and all the trouble that we made

Em

D

Cmaj7

But I say that I hate you with a smile on my face

Cmaj7

Oh, look what we became

D

The things I did

Cmaj7

Just so I could call you mine

D

The things you did

Cmaj7

Well, I hope I was your favorite crime

Cmaj7

Your favorite crime

Em

Your favorite crime

N.C.

Cause baby, you were mine
