A Million More Years
Olly Murs

```
G#                        Ebm
I m finding it hard, nobody knows
C#                             Bbm
Gotta hide my desperation before it shows
G#                        Ebm
With no sense of time, I got it all wrong
   C#                            Bbm
We only ever spoke about it after you d gone

            Fm
Now I m missing you so much
Ebm                      C#        Bbm
Loving you so much it hurts

   G#                     Ebm
A million more years if I had to wait
C#
So you can see me
Bbm
In another life time
   G#                        Ebm
A million more years if that what it takes
   C#
I know that you ll find me
Bbm
In another lifetime

G#                        Ebm
I left it too long, I thought it would wait
   C#                             Bbm
I never gave a second thought and now it s too late
   G#                  Ebm
I gave up too much letting you go
   C#                          Bbm
And all the time I think about how you need to know

          Fm
How I m missing you so much
 Ebm                    C#       Bbm
Loving you so much it hurts
And It s never gonna let me go

   G#                     Ebm
A million more years if I had to wait
```
