No magazines or DVD s we both got  
Better things to do  
I ll hold your hand  
Or shall we dance together  
It s so hard to choose

Every time we hear  
The whole world rush by  
I know that we re not crazy

We spend all our time lying side by side  
Getting nowhere, it s really something  
Getting busy doing nothing  
We spend all our time running for our lives  
Getting nowhere, it s really something  
Getting busy, doing nothing.

Should be working hard

Instead of lying here naked  
Phone rings but I wont take it  
Cos you only get one life... only get one life
