No magazines or DVD s we both got
Better things to do
I ll hold your hand
Or shall we dance together
It s so hard to choose

Every time we hear
The whole world rush by
I know that we re not crazy

We spend all our time lying side by side
Getting nowhere, it s really something
Getting busy doing nothing
We spend all our time running for our lives
Getting nowhere, it s really something
Getting busy, doing nothing.

Should be working hard

Instead of lying here naked
Phone rings but I wont take it
Cos you only get one life... only get one life
