Come on, come on,
I m right, I m wrong and when I m wrong I say,
We always had the good and bad
And that will never change.
F#m
This is the closest, I ve ever been
Oohh yeah,
We give, we take,
we mend, we break,
And so the cycle goes,
We re doing well, we ve been through hell,
And only heaven knows,
F#m
How far we get to,
Thank God I met you though,
And if you don t know,
Just put your hand on my heart,
Put your hand on my heart,
And I don t have to say it,
And I don t have to fake it,
                          F#m
Just put your hand on my heart
Just put your hand on my heart,
And you d know,
Come on, come on
Cause you re the one that I want for myself
```

The strength you give, I wanna live,
Inside our little shell,
F#m
Nothing comes close to,
Nothings supposed to, yeah,
     You have your doubts the same way I do,
Bm
   When you re wrapped safe in my love that s the truth.
Just put your hand on my heart,
Put your hand on my heart,
And I don t have to say it,
And I don t have to fake it,
Just put your hand on my heart
Just put your hand on my heart,
           D
And you d know,
 When you don t feel that your strong enough to make it,
When life treats you hard and don t think you can take it,
F#m
When you don t know where you stand, you re close to breaking,
Just put your hand on my heart,
Put your hand on my heart
                           Α
Just put your hand on my heart,
Put your hand on my heart,
And I don t have to say it,
And I don t have to fake it,
Just put your hand on my heart
Just put your hand on my heart,
And you d know,
```

Just put your hand on my heart,

Put your hand on my heart, F#m

And I don t have to say it, And I don t have to fake it,

Г

Just put your hand on my heart Just put your hand on my heart.

And you d know.
