At the start of the night I was like let s have a team tour
Playing with this lady inside, not like before
The flaps keep going up and down like a see-saw
I shoulda just taken her to the cinema to see Saw
Would she let me sit with her, I figured
Her figure s a sure sure winner
Cause I got a mate from the back, I m a skip her
You make my heart skip, skip, skip, skip, skip, skip a beat
