INTRO E F# A

E F# A
Frankly my dear, I don't give a damn
E
I wish that somehow I felt
F# A
I just can't hide the fool that I am
F#
As I let you walk away into the sunset

It s just another famice
A
 I try to do the right thing
F#
 I ended up with nothing good
E F# B
 I blame Hollywood

A **E** **B**
 I tried to be strong, to be brave, to behave like a hero (hero)
 I tried to be tough, to be cool, to be smooth like De Niro (De Niro)
A
 But it hurts without you
F#
 And I look like a fool
A **F#** **A**
 And I don't have a clue what to say when love breaks down
E F# B
 Cause this ain't Tinseltown

same for the rest of verses

I made a mistake
I got confused
It s easy to forget
Cause this is real life
With so much to lose
As I let you walk away into the sunset
It s just another famice
I try to do the right thing
I ended up with nothing good

Mm, girl
And I blame Hollywood

I tried to be strong, to be brave, to behave like a hero (hero)

I tried to be tough, to be cool, to be smooth like De Niro (De Niro)
But it hurts without you
And I look like a fool
And I don't have a clue what to say when love breaks down
Cause this ain't Tinseltown
No oh oh
Tinseltown, oh
Tinseltown, no oh oh
Tinseltown

I fell for the lines
You knew that I would
Hurray for Hollywood

I tried to be strong, to be brave, to behave like a hero (hero)
I tried to be tough, to be cool, to be smooth like De Niro (De Niro)
But it hurts without you
And I look like a fool
And I don't have a clue what to say when love breaks down

And I blame Hollywood
