

I Blame Hollywood
Olly Murs

INTRO **Eb** **F** **G#**

Eb **F** **G#**
Frankly my dear, I don't give a damn
 Eb
I wish that's how I felt
 F **G#**
I just can't hide the fool that I am
 F
As I let you walk away into the sunset

It's just another face
 G#
I try to do the right thing
 F
I ended up with nothing good
 Eb F Bb
I blame Hollywood

G# **Eb** **Bb**
I tried to be strong, to be brave, to behave like a hero (hero)
I tried to be tough, to be cool, to be smooth like De Niro (De Niro)
 G#
But it hurts without you
 F
And I look like a fool
G# **F** **G#**
And I don't have a clue what to say when love breaks down
 Eb F Bb
Cause this ain't Tinseltown

same for the rest of verses

I made a mistake
I got confused
It's easy to forget
Cause this is real life
With so much to lose
As I let you walk away into the sunset
It's just another face
I try to do the right thing
I ended up with nothing good

Mm, girl
And I blame Hollywood

I tried to be strong, to be brave, to behave like a hero (hero)

I tried to be tough, to be cool, to be smooth like De Niro (De Niro)
But it hurts without you
And I look like a fool
And I don't have a clue what to say when love breaks down
Cause this ain't Tinseltown
No oh oh
Tinseltown, oh
Tinseltown, no oh oh
Tinseltown

I fell for the lines
You knew that I would
Hurray for Hollywood

I tried to be strong, to be brave, to behave like a hero (hero)
I tried to be tough, to be cool, to be smooth like De Niro (De Niro)
But it hurts without you
And I look like a fool
And I don't have a clue what to say when love breaks down

And I blame Hollywood

Hope you enjoyed my first tab i hope to upload more
