**In case you didn't know**
**Olly Murs**

[Intro]  C#  Bbm  F#  G#  C#  G#

C#
Maybe you re out tonight
Bbm
With somebody else by your side
      F#
Oh oh oh oh
 G#                   C#   G#
You forgot about me, yeah
C#
And i guess you re moving on
 Bbm
You got sick of me like a song
      F#
Oh oh oh oh
        G#            C#
That s playing on repeat
 G#              F#
While you re living the good life
 Bbm
I feel a sharp knife
F#                                   G#
Stabbing me straight through the heart

                    C#          G#     Bbm
You gotta know that i m here all alone
    Fm                   F#
Wondering if you feel this low
G#                  C#         G#
As i do without you oh oh oh oh
C#           G#       Bbm
In case you didn t know
          Fm                F#
Since you left i ve been miserable
G#                      C#       G#
Why did you have to go oh oh?
  C#
So i dated other girls yeah
Bbm
I tried everything in the world
       F#
Oh oh oh oh
   G#             C#  G#
To forget your face
C#
Why would anyone stick around

**Bbm**
When i get up screaming out
      **F#**
At the worst time
     **G#**   **C#**
Your name
 **G#**                **F#**
That s while you re living the good life
**Bbm**
I feel a sharp knife
**F#**                           **G#**
Stabbing me straight through the heart

                  **C#**        **G#**     **Bbm**
You gotta know that i m here all alone
    **Fm**                **F#**
Wondering if you feel this low
**G#**              **C#**     **G#**
As i do without you oh oh oh oh
**C#**         **G#**     **Bbm**
In case you didn t know
         **Fm**             **F#**
Since you left i ve been miserable
**G#**                **C#**   **G#**
Why did you have to go oh oh?

                **C#**       **G#**
Can you hear me when i say(oh oh oh oh)
             **Bbm**     **Fm**
I really need you (oh oh oh oh)

 i really want you
 **F#**      **C#**
 oh oh oh oh
 **F#**             **G#**
 in case you didn t know
            **C#**    **G#**
I really miss you (oh oh oh oh)
          **Bbm**     **Fm**
I really need you (oh oh oh oh)
 **F#**      **C#**
Oh oh oh oh
**F#**             **G#**
In case you didn t know
 **Bbm**               **C#**
Don t even know if you care
                    **F#**
That i m waiting right here
              **G#**
Unable to make one move
 **C#**               **Bbm**
Still waiting for you to call
                  **F#**

Banging my head against the wall
                              G#        G#7
I m so hopeless without you

C#          G#      Bbm
I m here all alone
    Fm                      F#
Wondering if you feel this low
G#                  C#        G#
As i do without you oh oh oh oh
C#          G#      Bbm
In case you didn t know
          Fm              F#
Since you left i ve been miserable
G#                      C#
Why did you have to go oh oh?
 G#                          C#        G#
Can you hear me when i say (oh oh oh oh)

                    Bbm        Fm
I really need you (oh oh oh oh)

I really want you
F#          C#
Oh oh oh oh
F#                      G#      C#        G#
In case you didn t know (oh oh oh oh)
                  Bbm        Fm
I really need you (oh oh oh oh)

I really want you
F#          C#
Oh oh oh oh
F#                      G#
In case you didn t know
F#                      G#
In case you didn t know
F#                      G#   C#
In case you didn t know
