In case you didn't know
Olly Murs

[Intro] B G#m E F# B F#

B
Maybe you re out tonight
G#m
With somebody else by your side
      E
Oh oh oh oh
 F#   B   F#
You forgot about me, yeah
B
And i guess you re moving on
 G#m
You got sick of me like a song
      E
Oh oh oh oh
        F#   B
That s playing on repeat
 F#   E
While you re living the good life
 G#m
I feel a sharp knife
E   F#
Stabbing me straight through the heart

                   B   F#   G#m
You gotta know that i m here all alone
    Ebm   E
Wondering if you feel this low
F#   B   F#
As i do without you oh oh oh oh
B   F#   G#m
In case you didn t know
        Ebm   E
Since you left i ve been miserable
F#   B   F#
Why did you have to go oh oh?
 B
So i dated other girls yeah
G#m
I tried everything in the world
      E
Oh oh oh oh
  F#   B F#
To forget your face
B
Why would anyone stick around

```
G#m
When i get up screaming out
        E
At the worst time
        F#   B
Your name
  F#                    E
That s while you re living the good life
G#m
I feel a sharp knife
E                                    F#
Stabbing me straight through the heart

                        B         F#    G#m
You gotta know that i m here all alone
      Ebm                      E
Wondering if you feel this low
F#                    B           F#
As i do without you oh oh oh oh
B              F#       G#m
In case you didn t know
            Ebm              E
Since you left i ve been miserable
F#                      B        F#
Why did you have to go oh oh?

                        B           F#
Can you hear me when i say(oh oh oh oh)
                    G#m        Ebm
I really need you (oh oh oh oh)

  i really want you
  E          B
 oh oh oh oh
  E                      F#
 in case you didn t know
                    B         F#
I really miss you (oh oh oh oh)
                    G#m          Ebm
I really need you (oh oh oh oh)
  E        B
Oh oh oh oh
E                    F#
In case you didn t know
 G#m                          B
Don t even know if you care
                              E
That i m waiting right here
                      F#
Unable to make one move
 B                            G#m
Still waiting for you to call
                              E
```

Banging my head against the wall
                              F#   F#7
I m so hopeless without you

B   F#   G#m
I m here all alone
     Ebm   E
Wondering if you feel this low
F#   B   F#
As i do without you oh oh oh oh
B   F#   G#m
In case you didn t know
           Ebm   E
Since you left i ve been miserable
F#   B
Why did you have to go oh oh?
  F#   B   F#
Can you hear me when i say (oh oh oh oh)

                    G#m   Ebm
I really need you (oh oh oh oh)

I really want you
E   B
Oh oh oh oh
E   F#   B   F#
In case you didn t know (oh oh oh oh)
             G#m   Ebm
I really need you (oh oh oh oh)

I really want you
E   B
Oh oh oh oh
E   F#
In case you didn t know
E   F#
In case you didn t know
E   F# B
In case you didn t know
