

**Let Me In**  
**Olly Murs**

*Intro* G C G C x2

*verse 1*

**Am** G C G C  
You keep that light on in your window

**Am** G C G C  
Undo the locks and let me in

**Am** G C G C  
I ve come seeking by salvation

**C** **D** **Em**  
Of one who s lost in search of it

**C** **D** **G**  
Of one who s lost in search of it

**C** **Em** **D**  
Let me in and I will save you from the madness

**C** **Em** **D**  
Let me in and I will keep you from the storm

**Am** **Em** **D**  
With every motion, every moment, that we ve owned

**C** **D** **G** **C G C**  
I ll be here to break the fall

*verse 2*

**Am** G C G C  
Keep that love light in your window

**Am** G C G C  
Till I ll get back home to you

**Am** G C G C  
Lift my heart and set my soul free

**C** **D** **Em**  
Tell me love is the only truth

**C** **D** **G**  
Tell me love is the only truth

**C** **Em** **D**  
Let me in and I will save you from the madness

C                  Em                  D  
Let me in and I will keep you from the storm  
          Am                  Em                  D  
There s an open book stories to be told  
C          D                  G                  C G C  
And I ll be here to tell them all

*Instrumental* Am G x4

          C                  Em                  D  
Let me in and we can fill our lives with magic  
          C                  Em                  D  
Let me in and we could keep with each other warm  
          Am                  Em                  D  
With every motion, every moment, that we ve hold  
C          D                  Em  
I ll be here to break the fall  
C          D                  G                  C G C  
I m always here to break the fall
