Stop. Baby, let it out.
Is there a dark cloud
looming over you since our breakdown?
Has it been difficult?
And are you miserable?
Are you missing us now?

I was calling you my world,
my heart, my everything. Ooooooh.
But you didn't give a damn,
enough to let me in.
But now you know.

[Chorus:]

AM
If you want to love
C
you've got to give love
G **D**
