

## Seasons

Olly Murs

**F#m** **D** **A** **Bm** **F#m**  
Listen honey, to every word I say I know that you don t trust me

**D** **A** **Bm**  
But I m better than the stories about me

**F#m** **D** **A** **Bm** **F#m**  
Everybody messes up some days, Ain t got no rhyme or reason

**D** **A** **Bm**  
All I know is I m yours, yours, yours for every season

( **F#m** **D** **A** **Bm** **F#m** **D** **A** **E** )

**F#m** **D** **A** **Bm**  
Baby girl with the broken smile, Would you mind if I stayed awhile

**F#m** **D** **A** **Bm**  
And if you re cold I could light your fire If that s what you want, if that s what you want

**F#m** **D** **A** **Bm**  
I admit that I ve done some wrong, But those wrongs helped me write this song

**F#m** **D** **A** **Bm**  
And through it all I figured out where I belong, Right by your side, right by your side

**F#m** **D** **A** **Bm**  
They say that hearts don t lie, The head might try but it won t be right

**F#m** **D** **A** **Bm**  
Ya tell me what you feel inside, Tonight, tonight, tonight, tonight

Refrão:

**F#m** **D** **A** **Bm** **F#m**  
Listen honey, to every word I say I know that you don t trust me

**D** **A** **Bm**  
But I m better than the stories about me

**F#m** **D** **A** **Bm** **F#m**  
Everybody messes up some days, Ain t got no rhyme or reason

**D** **A** **Bm**  
All I know is I m yours, yours, yours for every season

( **F#m** **D** **A** **Bm** **F#m** **D** **A** **E** )

Verso 2:

**F#m** **D** **A** **Bm**  
Baby girl let your hair hang down, And if we re lost, baby let s get found

**F#m** **D** **A** **Bm**  
And when your world is flipping upside down, Let s make it right, let s make it right

**F#m**                                **D**                                **A**                                **Bm**  
They say that hearts don t lie, The head might try but it won t be right  
**F#m**                                **D**                                **A**                                **Bm**  
Ya tell me what you feel inside, Tonight, tonight, tonight, tonight

Refrão:

**F#m**                                **D**                                **A**    **Bm**                                **F#m**  
Listen honey, to every word I say I know that you don t trust me  
                             **D**                                **A**                                **Bm**  
But I m better than the stories about me  
**F#m**                                **D**                                **A**                                **Bm**                                **F#m**  
Everybody messes up some days, Ain t got no rhyme or reason  
**D**                                **A**                                **Bm**  
All I know is I m yours, yours, yours for every season

( **F#m** **D** **A** **Bm** **F#m** **D** **A** **E** )

Ponte:

**F#m**                                **D**                                **A**                                **Bm**  
Winter, summer, spring and fall, I ll be on the line waiting for your call  
**F#m**                                **D**                                **A**                                **Bm**  
Winter, summer, spring and fall, I ll be on the line waiting for your call  
**F#m**                                **D**                                **A**                                **Bm**  
Winter, summer, spring and fall, I ll be on the line waiting for your call

Refrão:

**F#m**                                **D**                                **A**    **Bm**                                **F#m**  
Listen honey, to every word I say I know that you don t trust me  
                             **D**                                **A**                                **Bm**  
But I m better than the stories about me  
**F#m**                                **D**                                **A**                                **Bm**                                **F#m**  
Everybody messes up some days, Ain t got no rhyme or reason  
**D**                                **A**                                **Bm**  
All I know is I m yours, yours, yours for every season

( **F#m** **D** **A** **Bm** **F#m** **D** **A** **E** )
