

**Sophie**  
**Olly Murs**

Intro: D

Verso 1:

                  Em    G                          D    A  
A little bit of heaven, a whole lot of hell  
                          Em    G                                  D    A  
Don t know where this is going, but I know this feeling well  
                          Em    G                                  D    A  
You leave without a warning, you take my wallet and my keys  
                          Em    G                                  D    A  
Don t come back until the morning, I m begging baby please

Refrão:

D                  A  
Sophie baby are you going crazy  
          G                          D  
Why d you have to go so far  
D                  A                          G                          D  
Sophie if you re trying to destroy me you don t have to work so hard  
          Em                          G                          D    A    G    A  
There must be an easier way to break my heart

Verso 2:

                          Em    G                                  D    A  
Smoke is coming from the kitchen, and it doesn t smell like food  
                          Em    G                                  D    A  
And all my clothes are missing, but there s no sign of you  
                          Em    G                                  D    A  
And when I dial your number, I end up talking to that dude  
                          Em    G                                  D    A  
You re always saying he s your brother, but I don t believe you

Refrão:

D                  A  
Sophie baby are you going crazy  
          G                          D  
Why d you have to go so far  
D                  A                          G                          D  
Sophie if you re trying to destroy me you don t have to work so hard  
          Em                          G                          D    A    G    A  
There must be an easier way to break my heart

Ponte:

Em                  D                          Em                  A    G  
Loving you is all I wanna, all I, all I really wanna do  
          Em                  D                          Em                  F#m    G    ( G )  
So come on Sophie all I wanna, all I, all I really want is you

Refrão:

**D**                    **A**  
Sophie baby are you going crazy  
**G**                                    **D**  
Why d you have to go so far  
**D**                                    **A**                                    **G**                                    **D**  
Sophie if you re trying to destroy me you don t have to work so hard  
**Em**                                    **G**                                    **D**  
There must be an easier way to break my heart
