

This Song Is About You
Olly Murs

Bm **G**
This is my confessional

D **A**
Pen and paper round gonna write this down

Bm **G**
Saying things you never thought

D
That were on my mind

A
Let the truth pour out

Bm **G**
Cause I m tired of the games

D **A**
I won t lie, no I m not ok!

Bm **G**
You were wrong you re to blame

D **A**
Now the world knows your name

Bm **G**
So here you go

D **A** **Bm** **G**
You re finally getting a song about you on the ra-dio

D **A**
Are you happy now that you broke me down!

Bm **G**
Now I curse the day that I met you

D **A**
I hope you know this song is about you

Bm **G**
This was no mistake, yes I meant to

D **A**
I hope you know this song is about you, about you!

Bm **G** **D** **A**
This song is about you, yeah!

Bm **G**
Seems I m feeling better now

D **A**
I like the way your head s lifting off my chest

Bm **G**
Should ve done this months ago

D **A**
If I knew back then it would feel like this

Bm **G**
Cause you ve done all the games

D **A**
