

This Song Is About You
Olly Murs

Am **F**
This is my confessional

C **G**
Pen and paper round gonna write this down

Am **F**
Saying things you never thought

C
That were on my mind

G
Let the truth pour out

Am **F**
Cause I m tired of the games

C **G**
I won t lie, no I m not ok!

Am **F**
You were wrong you re to blame

C **G**
Now the world knows your name

Am **F**
So here you go

C **G** **Am** **F**
You re finally getting a song about you on the ra-dio

C **G**
Are you happy now that you broke me down!

Am **F**
Now I curse the day that I met you

C **G**
I hope you know this song is about you

Am **F**
This was no mistake, yes I meant to

C **G**
I hope you know this song is about you, about you!

Am **F** **C** **G**
