

This Song Is About You
Olly Murs

Bbm F#
This is my confessional

C# G#
Pen and paper round gonna write this down

Bbm F#
Saying things you never thought

C#
That were on my mind

G#
Let the truth pour out

Bbm F#
Cause I m tired of the games

C# G#
I won t lie, no I m not ok!

Bbm F#
You were wrong you re to blame

C# G#
Now the world knows your name

Bbm F#
So here you go

C# G# Bbm F#
You re finally getting a song about you on the ra-dio

C# G#
Are you happy now that you broke me down!

Bbm F#
Now I curse the day that I met you

C# G#
I hope you know this song is about you

Bbm F#
This was no mistake, yes I meant to

C# G#
I hope you know this song is about you, about you!

Bbm F# C# G#
This song is about you, yeah!

Bbm F#
Seems I m feeling better now

C# G#
I like the way your head s lifting off my chest

Bbm F#
Should ve done this months ago

C# G#
If I knew back then it would feel like this

Bbm F#
Cause you ve done all the games

C# G#

I won't lie, no I'm not ok
