

This Song Is About You
Olly Murs

C#m **A**
This is my confessional

E **B**
Pen and paper round gonna write this down

C#m **A**
Saying things you never thought

E
That were on my mind

B
Let the truth pour out

C#m **A**
Cause I m tired of the games

E **B**
I won t lie, no I m not ok!

C#m **A**
You were wrong you re to blame

E **B**
Now the world knows your name

C#m **A**
So here you go

E **B** **C#m** **A**
You re finally getting a song about you on the ra-dio

E **B**
Are you happy now that you broke me down!

C#m **A**
Now I curse the day that I met you

E **B**
I hope you know this song is about you

C#m **A**
This was no mistake, yes I meant to

E **B**
I hope you know this song is about you, about you!

C#m **A** **E** **B**

C#m **A**
Seems I m feeling better now

E **B**
I like the way your head s lifting off my chest

C#m **A**
Should ve done this months ago
