This Song Is About You Olly Murs C#m Α This is my confessional \mathbf{E} в Pen and paper round gonna write this down C#m Α Saying things you never thought E That were on my mind в Let the truth pour out C#m Α Cause I m tired of the games Е в I won t lie, no I m not ok! C#m Α You were wrong you re to blame в Е Now the world knows your name A C#m So here you go E в C#m Α You re finally getting a song about you on the ra-dio Е в Are you happy now that you broke me down! C#m Now I curse the day that I met you E в I hope you know this song is about you C#m Α This was no mistake, yes I meant to в E I hope you know this song is about you, about you! C#m A Ε в This song is about you, yeah! C#m Α Seems I m feeling better now E в I like the way your head s lifting off my chest C#m Α Should ve done this months ago Е в If I knew back then it would feel like this C#m Α Cause you ve done all the games Е в

I won t lie, no I m not ok C#m A You were wrong, you re to blame E B Now the world knows your name!
