You say the earth is not alive and only we are real
You try to tell me to behave, that I must act like you
But I just stick my fingers in my ears and say: Fuck you

Because I don't speak human, I can't understand a word you're saying

Because I don't speak human, I can't understand a word you're saying
I don't speak human, I can't understand a word you're saying
I don't speak human...
