Subject: Who Cares?.tab by Omnibus

Hey, This is a new song by the band Omnibus from Orlando,FL called Who Cares?.
It sorta has a Nirvana feel to it.

THE rhythm figure goes like this: Bb(4x)-G(4x)-Em(7x)
Bb:799000
G:355000
Em:022000

It does this through the intro and verses.
The chorus goes:Bb(3x)-Em(3x)-G(2x)-A(4x)
A:577000

The bridge is the Bb chord played through two rhythm cycles(15x each cycl.)
with a tempo similar to the part in Aneurysm(Nirvana) where Kurt sings.

When the lyrics kick, it alternates every other line between that
chord and A.

Well, here are the lyrics with the song pattern.
(intro)(rhym. fig. 4x)
(v1)
I don t need anybody
I just want to be alone
I can t hear anybody
Do you know what it feels like to be all alone
(ch)
I still haven t found someone who cares
They kick me around when your not there
My mind tries to hide the fact that I care
But I don t have a mind when your not there
(intro)
(v2)

I can t stand anybody
A good excuse for someone who s alone
I don t have anybody
If you ask me, the choice is my own
(ch)
(v1)
(ch)
(bridge)
(solo) Over rhythm chords of 1 verse
(v2)
(ch)2x
