

**Everything About You**  
**One Direction**

**C**

You know I've always got your back girl

**F**

So let me be the one you can run into, run into, run in

**C**

I say this, cause it's a matter of fact girl, you just call my name **F**

I'll be coming through, coming through, I'll get coming

**C**

On the other side of the world it don't matter,

**F**

I'll be there in two, I'll be there in two, I'll be there in two

**C**

I still feel it everytime

**F**

It's just something I have to do

**G** (one stroke)

Now ask me why I want to

**C**

It's everything about you, you, you

**G**

Everything that you do, do do

**Am G**

From the way that we touch baby

To the way that you kiss on me
