

## Infinity

### One Direction

Verso 1:

**E** **B**  
Down to earth, keep em falling when I know it hurts,  
**A**  
going faster than a million miles an hour,  
**Am**  
trying to catch my breath some way, somehow.  
**E** **B**  
Down to earth, it s like I m frozen, but the world still turns,  
**A**  
stuck in motion, and the wheels keep spinning round,  
**Am**  
moving in reverse with no way out.

Pré-Refão:

**E**  
And now I m one step closer to being  
**B**  
two steps far from you,  
**A**  
And everybody wants you  
  
Everybody wants you.

Refrão:

**E** **B**  
How many nights does it take to count the stars?  
**A**  
That s the time it would take to fix my heart,  
  
oh, baby, I was there for you.  
  
All I ever wanted was the truth, yeah, yeah.  
**E** **B**  
How many nights have you wished someone would stay?  
**A**  
lay awake only hoping they re okay.  
  
I never counted all of mine,  
**E**  
If I tried, I know it would feel like infinity.  
**B** **A**  
Infinity, infinity, yeah  
Infinity.

Verso 2:

**E** **B**

Eyes can't shine unless there's something burning bright behind,  
Since you went away, there's nothing left in mine,  
I feel myself running out of time.

Pré-Refrão:

Infinity, infinity, yeah  
Infinity. Infinity, Infinity.
