I might never be your knight in shining armour,  
Bm G  
I might never be the one to take home to mother,  
D G  
and I might never be the one who brings you flowers,  
Bm G  
but I can be the one, be the one tonight.

D G  
When I first saw you from across the room,  
Bm G  
I could tell you were curious, oh yeah.  
D G  
Girl, I hope you re sure what you re looking for,  
Bm G  
as I m not good at making promises.

D  
But if you like causing trouble up in hotel rooms,  
G  
and if you like having secret little rendezvous,  
Bm  
and if you like to do the things that you know we shouldn t do,  
G  
baby, I m perfect, baby I m perfect for you.

D  
And if you like midnight driving with the windows down,  
G  
and if you like going places we can t even pronounce,  
Bm  
and if you like to do whatever you ve been dreaming about,  
G D  
Baby you re perfect, baby you re perfect. So, let a start right now.

D G  
I might never be the hands you ve put your heart in,  
Bm G  
or the arms that hold you any time you want it,  
D G  
But that don t mean that we can t live here in the moment,  
Bm G  
?Cause I can be the one you love from time to time.
