

Right Now

One Direction

Intro: Am F C F

Am

F

Lights go down

C

F Am

And the night is calling to me, yeah

F

C

I hear voices singing songs in the street

F Am

And I know

F

C

That we won't be going home

C

For so long, for so long

F Am

F

C

But I know that I won't be on my own

C

Yeah, I love this feeling and

Am

F

C

Right now I wish you were here with me, oh

Am

F

C

Am

cause right now everything is new to me, oh

F

C

You know I can't fight the feeling

C

And every night, I feel it

Am

F

C

Right now I wish you were here with me, oh

Am

F

C

Late night, spaces

F Am

With all our friends, you and me, yeah

F

C

Love these faces

F Am

Just like how it used to be

F

C

And we won't be going home

C

For so long, for so long

F Am

F

C

But I know that I won't be on my own

C

On my own, I'm feeling like

Am F C
Right now I wish you were here with me, oh
Am F C Am
cause right now everything is new to me, oh

F C
You know I can't fight the feeling

C
And every night, I feel it

Am F C
Right now I wish you were here with me, oh

Am

F C
And I could do this forever

Am
Whoa, whoa, oh

F C
And let's go crazy together

C
Whoa, whoa, oh

Am

F
Lights go down

C
And I hear you calling to me, yeah

Am F C
Right now I wish you were here with me, oh
Am F C Am
cause right now everything is new to me, oh

F C
You know I can't fight the feeling

C
And every night, I feel it

Am F C
Right now I wish you were here with me, oh
