

Temporary Fix
One Direction

Verso 1:

D
Saw your body language and I know how you re feeling,
D
you look like the kind of girl who s tired of speaking.
G
Standing with somebody but he doesn t know what you like,
D
you caught my attention, you were looking at me first.
D
Saw that I can teach you waking up in my t-shirt
G **D**
If you re not into anything right now I can be your vice.

Refrão:

Bm **A** **D**
All you need to know is you can call me when you re lonely.

When you can t sleep I ll be your temporary fix.
Bm **G**
You control me, even if it s just tonight.
D
You can call mehen you feel like having good time,
Cm
I ll be your temporary fix, you can own me,
G
and we ll call this what you like, let me be your good night.

Verso 2:

D
The night is on your lips and I feel like I m locked in,
D
There s a million eyes, I don t care if they re watching.
G **A** **D**
Your body is saying everything, I don t have to read your mind.
D **A**
Feel you on my neck while I m calling a taxi,
D **A**
Climbing over me while I climb in the backseat.
Bm **A** **D**
Now we re taking off, now we re taking it off tonight.

Refrão:

Bm **A** **D**
All you need to know is you can call me when you re lonely.

When you can t sleep I ll be your temporary fix.

Bm **G**
You control me, even if it s just tonight.

D
You can call me when you feel like having good time,

Cm
I ll be your temporary fix, you can own me,

G
and we ll call this what you like, let me be your good night.

Bridge:

D **A** **G**
We can moan in the darkness, let me touch you where your heart is.

Bm **A** **G**
And if you re feeling the weakness.

A **D**
Well I told you baby that you can call me, I ll be your temporary fix.

Bm
You can call me.

Refrão:

D
You can call me when you re lonely.

When you can t sleep I ll be your temporary fix.

Bm **G**
You control me, even if it s just tonight.

D
You can call me when you feel like having good time,

Cm
I ll be your temporary fix, you can own me,

G **D**
and we ll call this what you like, let me be your good night.
