

**The Maths Song**  
**One Direction**

Sung/played to the tune of What Makes You Beautiful

Capo on 2

Standard tuning

---

Intro: **D G A** x2

**D G A**  
You re insecure, don t know what for

**D G A**  
And 2 is half of 4

**D G A**  
And two 3s, that s fun for us

**D G A**  
Cause we re young and we can still remember stuff

**D G A**  
Everyone else can multiply by 60

**D G A**  
Everyone else can add 2

**D G A**  
So take of 100 and add on 24

**D G A**  
Then divide by 2 and add on 7 more

**D G Bm A**  
And if you re struggling now it s not hard to tell

**D G A**  
You don t know, your math skills are terrible

**D G A**  
If only you had a mind like me

**D G A**  
You d understand how to divide the sum by 3

**D G Bm A**  
Then add on the age of an OAP(+60)

**D G A D G**  
You don t know, your math skills are terrible

**A D(once)**  
It s really kind of pitiful

---

Just a side note; if you re wondering what the answer is, it s 130. :)
