

Torn

One Direction

Hello everybody!

This is my first tab, so go easy! this is the acoustic version that One Direction

did on the X-Factor, and I just learnt it by ear! It s a lovely cover, so I thought I d share it with the rest of you! :) xx

The tuning is half a step down! When you listen to the performance, you can hear

the guitarist doing hammer-ons on the bass notes of the chords :) xx
