

What a Feeling
One Direction

[Intro] Dm G Dm G

Am Em
Through the wire, through the wire, through the wire
F G Am
I m watching her dance, her dress is a catch in the light

Em
In her eyes there s no lies, no lies
F G Am
there s no question, she s not in a disguise

Dm G Dm
There s no way out and a long way down
G Dm
everybody needs someone around

G Dm
But I can t hold you, too close now
G
through the wire, through the wire

Am Em F G
What a feeling to be right here beside you now, holding you in my arms
Am Em F G
When the air ran out and we both started running wild, the sky fell down

Am G F G
But you ve got stars in your eyes and I ve got something missing tonight

Am Em F G
What a feeling to be a king beside you, somehow I wish I could be there now

Am Em
Through the wire, through the wire, through the wire
F G
I m watching like this imagining you re mine

Am Em
It s too late, too late, am I too late?
F G
Tell me now, am I running out of time?

Dm G Dm
There s no way out and a long way down
G Dm
everybody needs someone around

G Dm
But I can t hold you, too close now
