CHORUS2:

Wanted to tell you I lied.

Oh, I made mistakes.

And when I failed in life,

It was you I blamed.

Though all my faces you could see right through..

I couldn t see

All that was best in you...

BRIDGE:

You are my hope, I m giving in..

You are the ink under my skin..

You are the day that I awake..

You ll be the only chance I ll take.

All I am and lost before..

The things I love and I adore..

My handful of hope and a little more...

CHORUS3:

Wanted to tell you I tried

To make it okay.

With just one letter gone I lost the name

Of that little boy smiling back at you..

He could see

All that was best in you...
