

September

One Less Reason

Dm **C** **Bb**
I saw your headlights in the window

Dm **C** **Bb**
My face was pressed against the glass

Dm **C** **Bb**
I waited for years for you to return before I learned

Dm **C** **Bb**
That you were never coming back

Dm **C** **Bb**
I m gonna close my eyes before I start to scream

Dm **C** **Bb**
 I'm dwelling on things I've never noticed
Dm **C** **Bb**
 You won't save yourself, you'll never save me
Dm **C** **Bb**
 I only stumbled once for a moment, it was over
Dm **C** **Bb**
 I think I'll close my eyes before I start to scream

G **Bb**
You said today s the day goodbye just won t wait

(Chorus, use the bar chord versions)

Dm **C** **Bb**
 And if you need me to, I ll wait until September
Dm **C** **Bb**
 It s come and gone, November s on its way
Dm **C** **Bb**
 So easy to forget and hard to remember, I remember
Dm **C** **Bb**
 The way to getting back our self-esteem

(Bridge, listen to the song for chord changes)

Dm Bb
Oh yeah, no regrets

Dm Bb
You got no one left

Dm Bb
I hope that every step reminds you of the ones that you left
