

Say You Dont Want It  
One Night Only

**C** **Gm**  
Talk all the talk with a poet s style  
**A#** **F**  
Tongue like electric, eyes like a child  
**C** **Gm**  
Buy only wives and the classic cars  
**A#** **F**  
Live like a saviour, live like the stars  
**C** **Gm**  
Talk all the talk with a model s smile  
**A#** **F**  
Tongue like electric, eyes like a child  
**C** **Gm**  
Buy all your highs and the classic cars  
**A#** **F**  
Die on the front page, just like the stars

**C** **Gm**  
The big screens, the plastic-made dreams  
**A#** **F**  
Say you don t want it, say you don t want it  
**C** **Gm**  
It s our world, the picture-book girls  
**A#** **F**  
Say you don t want it, say you don t want it  
**C** **Gm**  
Don t you ask me if it s love my dear  
**A#** **F**  
Love don t really mean a thing round here  
**C** **Gm**  
The fake scenes the plastic-made dreams  
**A#** **F**  
Say you don t want it, say you don t want it

(Repeat the same chords: **C** - **Gm** - **A#** - **F**)

Pace all the rooms with a jealous style  
Tongue like electric, eyes like a child  
Paint all your soul with the grand designs  
Reach like a saviour, your heart on the line  
Talk all the talk with a model s smile  
Tongue like electric, eyes like a child  
Buy all your highs and the classic cars  
Die on the front page, just like the stars

The big screens, the plastic-made dreams  
Say you don t want it, say you don t want it  
It s our world, the picture-book girls  
Say you don t want it, say you don t want it  
Don t you ask me if it s love my dear  
Love don t really mean a thing round here  
The fake scenes the plastic-made dreams  
Say you don t want it, say you don t want it

(Instrumental)

The big screens, the plastic-made dreams  
Say you don t want it, say you don t want it  
It s our world, the picture-book girls  
Say you don t want it, say you don t want it  
x2  
Don t you ask me if it s love my dear  
Love don t really mean a thing round here  
The fake scenes the plastic-made dreams  
Say you don t want it, say you don t want it

Say you don t want it, say you don t want it  
Say you don t want it, say you don t want it
