ONE OK ROCK

F **Am** **G**
You always call me full of regret
F **C**
You want me to save you again

(**Am** **F** **C** **G**)

Am **F**
All these years the days go by
C **G**
I ve seen you fall a million times
Am **F** **C** **G**
Everybody makes mistakes

Am **F**
It feels so hard to watch you hurt
C **G**
From the pain a lesson learned
Am **F** **C** **G**
This is how you find your way

(**Am** **F** **C** **G**)

Am **F** **C** **G**
Stories only scars can tell
