All We Are
By: ketos234

****Warning: First Tab****

Standard Tuning, capo on 7th fret

Chords: EADGBE

Em7 022033
G 320003
G* 355433
Cadd9 032033
Dsus4 200233
Bb 113331
F 122311
D 200232

Verse:

G **Em7** **Cadd9** **D** **G**
I tried to paint you a picture, the colors we re all wrong
Em7 **Cadd9** **D**
Black and white didn t fit you, and all along
G **Em7** **Cadd9** **D** **G**
You we re shaded with pa-tience, and strokes of everything
Em7 **Cadd9** **D**
That I need just to make it, and I can see that...

Pre-chorus:

Cadd9 **D** **Cadd9**
Time can tear you apart, but it won t break
F
Anything that you are, you are...

Chorus:

Em7 **Cadd9** **G** **Dsus4**
We won t say, our goodbye s, you know it s better that way,
Em7 **Cadd9** **G** **Dsus4**
We won t break, we won t die, it s just a moment of change
Em7 **Cadd9** **G** **Dsus4**
All we are, all we are, is everything that s right
Em7 **Cadd9** **G** **Dsus4** **F** **D**
All we need, all we need, a lover s alibi

Verse 2 (Identical chords):

I walked a minute in your shoes, they never would have fit

I figured there s nothin to lose, I need to get
Some perspective on these words, before I write them down
You re an island and my ship has run aground

Pre-chorus:

Time can tear you apart, but it won t break
Anything that you are, you are...

Chorus:

We won t say our goodbye s, you know it s better that way,
We won t break, we won t die, it s just a moment of change
All we are, all we are is everything that s right
All we need, all we need, a lover s alibi

Refrain:

F
And every single day that I can breathe,
D
You change my philosophy,
Bb **G*(ring)**
I m never gonna let you pass me by

As first 2 lines of Chorus:

So don t say your goodbye s, you know it s better that way,
We won t break, we won t die, it s just a moment of change

Em7, Cadd9, G, Dsus4 x2

As first 2 lines of Chorus:

So don t say your goodbye s, you know it s better that way,
We won t break, we won t die, it s just a moment of change

Em7 **Cadd9** **G** **Dsus4**
All we are, all we are, is everything that s right
Em7 **Cadd9** **G** **Dsus4**
All we need, all we need, a lover s alibi

Em7, Cadd9, G, Dsus4 x2

Outro: (Fade through, as first 2 lines of Chorus)

So don t say your goodbye s, you know it s better that way,
We won t break, we won t die, it s just a moment of change.
