[Intro]

**C Em Am Fmaj7**

[Verse]

**C**

Hello world

**Em**

Hope you're listening

**Am**

Forgive me if I'm young

**Fmaj7**

For speaking out of turn

**C**

**Em**

there's someone I've been missing

**Am**

and I think that they could be

**Fmaj7**

The better half of me

**Dm**

**G**

they're in the wrong place trying to make it right

**Dm**

**G**

But I'm tired of justifying

**Am**

**C**

So I say to you

[Chorus]

**Em**

Come home

**F**

Come home

**C**

Cause I've been waiting for you

**Em**

For so long

**F**

For so long

**Am**

**C**

Right now there's a war between the vanities

**Fmaj7**

But all I see is you and me

**C**

The fight for you is all I've ever known

**G**

ever known

**Am7 C Dm Am G**

So come home

[Verse]

**C Em**

I get lost in the beauty

**Am**

of everything I see

**Fmaj7**

The world ain't half as bad

**C**

As they paint it to be

**Em**

If all the sons, all the daughters

**Am**

Stop to take it in

**Fmaj7**

**Dm**

Well hopefully the hate subsides and the love can begin

**G**

It might start now,

**Dm**

**G**

Or maybe I'm just dreaming out loud

**Am**

**C**

Well until then

[Chorus]

**Em**

Come home

**F**

Come home

**C**

Cause I've been waiting for you

**Em**

For so long

**F**

For so long

**Am**

**C**

Right now there's a war between the vanities

**Fmaj7**

But all I see is you and me

**C**

The fight for you is all I've ever known

**G**

ever known

**Am7 F(add9) Am7 C5 Dm**
