G#              Fm
No sleep, today
             C#
Cant even rest when the suns down
G#
No time

               Fm
Theres not enough
                    C#          G#     Fm   Cm  C#
And nobodys watchin me now

G#                  Fm              Cm
When we were children we d play
              C#                        G#
Out in the streets just dipped in fate
               Fm              Cm
When we were children we d say
       C#
That we don t know the meaning of
G#       Fm     Cm     C#
Fear, fear, fear,
G#       Fm      Cm
Fear, fear, fear
C#
We dont know the meaning of..
