Ryan Tedder is a genius!

Bm G D (A)
(repeating through the whole song)

[Verse]

Bm G D (A)
I stared up at the sun
Thought of all the people, places and things I ve loved
I stand up just to see
Of all the faces,
you are the one next to me

[Pre Chorus]

You can feel the light start to tremble
watching what you know out to see...
You can see your life out of the window, tonight...

[Chorus]

If I lose myself tonight
It ll be by your side
If I lose myself tonight...
wooh, wooh, wooh!

If I lose myself tonight
It ll be you and I...
Lose myself tonight
whoooooooo...

[Instrumental]

[Verse 2]

I woke up with the sun
Thought of all the people, places and things I ve loved
I woke up just to see
Of all the faces

you are the one next to me

[Pre Chorus]

You can feel the light start to tremble
watching what you know out to see

You can see your life out of the window, tonight...

[Chorus]

If I lose myself tonight
It ll be by your side
If I lose myself tonight...
wooh, wooh, wooh!

If I lose myself tonight
It ll be you and I...
Lose myself tonight
whoooooooo...

[Instrumental]

[Outro]

Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...

Lose myself
If I lose myself tonight..
Whoooooooooooo
whooooooo
